

American Glamour

ADVANCED DARK BRONZER

Strong bronzer for medium-dark and dark skin.

Strength ★★★★★

300x

A deeply tan with a velvety finish.

Effect after application:

Some people get their tan instantly, others need some more time. It all depends on your skin type.

Thanks to American Glamour, even the most "stubborn" skin tone will finally give in to the seductive power of tanning rays and all of your skin will get a deep brown colour.

It is best to apply the lotion a few minutes before tanning. The effect will be visible about 4-8 hours after the tanning session.

instant bronzer

gradual bronzer

anti-aging effect

A mix of the darkest instant and gradual bronzers.

Biotanning Formula

a special combination of natural colorants and sweet orange extract facilitating the production of melanin in skin, which provides a fast and long-lasting effect.

Delayed Bronzers Formula

based on erythrulose, whose effect is visible a dozen or so hours after a tanning session, and the effects deepen over time. The effect of delayed bronzers may last for up to 4 days, while the tan is deep and lasts longer.
