

CODE Intensifier

TANNING ACCELERATOR FOR MEN

An intensive tanning accelerator for men with fair skin.

Strength ★★

100x

“ Impalpable tan on men's body, without compromises.

Effect after application:

CODE Intensifier is a real ace up each man's sleeve. Thanks to this lotion, even the fairest skin gives in to the wave of tan. In its tube, this tanning accelerator for men hides the power of anti-aging ingredients and provides skin care on a deep level, replacing moisturising lotions.

It is best to apply CODE Intensifier a few minutes before tanning. The effects will deepen gradually even for up to 48 hours after a tanning session.
