DARK BRONZER

Dark bronzer with providing comprehensive care.

Strength ★★★★★

100x

“

Island tan, extraordinary glow.

## Effect after application:

Supreme is a universal bronzer, thanks to which even the driest and dullest skin gains charming colours and unbelievable elasticity.

The bronzer covers the body with a natural intensive tan full of nut tones.

It is best to apply the lotion just before a tanning session, the first effects will be visible right after the session, however, the color intensifies for several days after tanning.
