

Tan & Glory

ADVANCED BRONZER

Moisturizing bronzer for dry skin.

Strength ★★★

200x

“

Moisturising honeycombs at your fingertips.

Effect after application:

Tanning and hydration in one? Tan & Glory is an easy way to tackle dry skin. It will make your skin comfortable and soft.

The bronzer gives you a natural tan. Its colour becomes darker gradually, with each session, to finally turn golden brown.

It is best to apply the lotion right before tanning. The most spectacular results are visible after 2-3 tanning sessions.

Fragrance:

flowery delight

Lotion colour:

biscuit beige
