

# Tan Idol

ADVANCED BRONZER

Safe medium-dark bronzer  
for beginners and intermediate users.

Strength ★★★

200x

Just the right amount of tan:  
no stress of overdoing it,  
and no worries about looking too pale.

## Effect after application:

Some people expect immediate results, while others prefer to get a gradual tan and fully control the final result.

A classic shade of brown and comprehensive skin care in one elegant package.

It is best to apply the lotion right before tanning.  
The best results are visible after 2-3 tanning sessions.
