

CODE Bronzer

DARK BRONZER FOR MEN

Strong bronzer for men
with medium-dark and dark skin tone.

Power

300x

Deep brown colour, perfect
long-lasting effect.

Effect after application:

Men hate compromises and expect spectacular effects "here and now". CODE Bronzer will guarantee a deep immediate tan, provide an extreme dose of conditioning ingredients and ensure a sensation of deep relax.

It is best to apply the lotion right before a tanning session.

The first effects will be visible right after tanning, however, the final results will be visible after 24 hours.
