

Gold & Glow

DRY TANNING OIL INTENSIFIER

Tan accelerating oil for those who look for a golden tan.

Power  300x

“ Golden tan, velvety finish.

Effect after application:

Gold & Glow oil enables everyone to have a natural golden tan, irrespective of their skin type and tone.

The cosmetic is absorbed into the skin immediately and leaves a velvety finish and a natural holiday tan on the skin.

Thanks to its unique formula, Gold & Glow works perfectly on the beach as well – grains of sand will not stick to your body. It is best to apply the cosmetic right before tanning, the effects will keep deepening for up to 48 hours.
