

Jet Black

DARK BRONZER

Strong bronzer for those who expect intensive effects.

Power  120x

“ Chocolate tan, powdery gentleness.

Effect after application:

A strong tan and deep hydration in one cosmetic? With Jet Black you can forget about dry and rough skin and enjoy velvety smooth skin covered with a deep brown colour.

You do not have to worry about streaks and discolouration!

It is best to apply the cosmetic right before tanning and the first chocolate effects will be visible right after the session ends.
