Bronzer for those who want make their beautiful tan last for many days.

Power ●●●●○ 200x

“ A long-lasting and natural tan.

### Effect after application:

It is best to apply Prom Queen right before tanning, one day before the planned big night out. In 24 hours, your skin will gradually turn deep brown and the final effect will last from several to even ten days.

There are thousands of bronzers, but only one deserves the royal crown. Prom Queen took the throne thanks to its seductive flowery aroma of royal gardens.
